

# Easi100

## 100 ltr shopping trolley

Baby seat option

### Dimensions

### The eco-friendly Easi100

Easi100 has been developed for maximum usability in small-to-medium format retail stores. It has been proven to increase sales where shoppers would have traditionally used a basket.

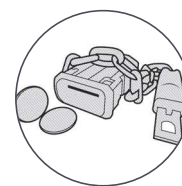

It is made from 80% recycled material and is fully recyclable, making it the sustainable choice for retailers.

Its unique design means the trolley is maneuverable from all sides, allowing effortless handling.
